## Seeking Something Different? Then Give Us A **Closer Look!**

We know we're not for everyone - and we don't try to be. We've been described in the following ways: Unusual. Cutting-edge. Eclectic. Mystical. Boundary-crossing. Definitely not your typical Judaica store.

We invite you to experience something totally unique in a shopping experience. Hand-crafted tallises and jewelry. Artisan-made didgeridoos, drums & percussion instruments. Beautiful fused glasswork by Bobby Harr and inspirational artwork by Jackie Olenick. And that's just for starters.

Stop by and get acquainted during Scottsdale's *ArtFest* February 13 - 15. We think you'll agree - we're one of a kind.
