From Slave to Healer

A Passover Shamanism & Restoration Excursion

Come experience a non-denominational, non-religious approach to the ancient tradition of Passover through sacred ritual and community celebration in the Las Cienegas National Conservation Area - 50 miles southeast of Tucson. This journey into the wilderness will combine the theme of the ancient holy-days of Passover with earth-based shamanic journeys, kabbalistic prayer and meditations, yoga and qigong, sacred sound and chanting, environmental education and *tikkun olam* - restoration of the earth. In honor of the sacred conceptual time of rest and retreat - *Shabbat* - we will meet at 5:00 p.m. Friday evening, April 6th, and caravan to our camp, arriving before sunset.

Presenters include: Trevor Hare (Environmental Restoration & Education), Shayna Korb (Jewish Meditation & Exploration, Intimacy Groups), Deborah Mayaan (Qigong, Experiential Movement Meditation), Jenna Anjali (Yoga, Restoration, Raw Chef), and Tzadik Rosen-Greenberg (Hebrew Mysticism, Shamanic Journeys, Kabbalistic Meditations).

Sponsors: Congregation Ner Tamid, The Sky Island Alliance, Sierra Club - Rincon Group, and Planet Coexist.
